We purchased Scotsdale Adventurer as a calf at the Gardhouse Bennett Sale in Ontario, he was just 11 months old, was the 3rd high price of the sale, he later stood second in his class at Toronto, next to Scotsdale Aderian who is in the Sandy Cross Herd, Alberta for \$9000.00. Adventurer has been our main herd sire for 5 years as we used him as soon as we got him home, has never been highly fitted and has wintered outside with the cow herd the last 4 winters, is a very quiet bull and a sure breeder. We would not sell this bull but have a son of his that is a top herd bull, he is polled and his first calves are here so we will part with this good ton bull at this time.
